Professional Overview

Donna English develops engaging learning tools that help students build practical life skills through interactive, student-friendly formats. Her flagship resources have been refined over approximately 2.5 years with a focus on real classroom usability.

Featured Resources

Road to Abundance - Financial Literacy Board Game Kit

Students navigate real-life scenarios, make decisions, and track gains/losses using a simplified net-worth style score sheet. Designed to be teacher-friendly and discussion-rich.

- **Recommended grades:** Upper elementary through high school (adaptable).
- **Skills reinforced:** budgeting basics, needs vs. wants, tradeoffs, handling surprises, reflection.
- **Included support:** short Quick Start + Facilitator Guide (e-book) and optional printables (bell ringer, exit ticket, student reflection).

Books & Literacy-Based Activities

Children's books and companion activities that support reading engagement and character development in home or group learning settings.

Cammy & Grammy - Kid-Friendly Cookbook + Companion App

A family-centered cooking and learning resource supporting reading comprehension through recipes, sequencing, basic measurement, and kitchen safety.

Credentials

- Adjunct Professor, Miami Dade College
- BS in Accounting and MBA
- Background in nonprofit leadership and accounting (youth financial capability focus)

Partnership Opportunities

- Demonstration days (virtual or in-person)
- Homeschool workshops (financial literacy & life skills through play)
- Author talks, literacy events, and pilot programs
