

Bellringers

Optional Student Pages (Print as-needed)

How to use these bellringers (1 minute read)

Pick one prompt for the first 3-5 minutes of class. Students write silently, then share with a partner or quick whole-class callouts.

Bellringer 1: Asset vs Liability

In your own words, define an asset and a liability. Then write one example of each from real life (home, school, or community).

Name

Date

Net worth is assets minus liabilities.

Name

Date

Write one Growth (G) choice you can make this week that could help you build abundance over time. Why is it a Growth choice?

Date _____

Write 3 needs and 3 wants. Then explain how mixing them up can affect net worth over time.

Name

Date _____

Bellringer 6: Smart Saving

Give three reasons people save money. Then write one realistic saving goal you could start today.

Name

Date _____

What does it mean to borrow money? Write one benefit and one risk of borrowing.

Name

Date

Imagine you receive \$20 unexpectedly. Write two smart options for using it (one short-term, one long-term).

Date

Bellringer 9: Debacle Recovery Mindset

Write about a time you faced a setback (school or life). What helped you recover? How could that mindset help after a Debacle (D) in the game?

Name

Date _____

Bellringer 10: Define Abundance

Finish this sentence in your own words: 'Abundance means...' Then write two values or habits that support abundance.

Name

Date _____
