

Teacher Time-Saver Pack

Optional Student Worksheets

Bellringers • Exit Tickets • Reflections

Print as-needed. Designed for classroom and homeschool use.

© Donna English | Road to Abundance

Quick Teacher Setup (No Prep)

These student pages are optional downloads to make Road to Abundance plug-and-play for educators.

Suggested 30-45 minute flow:

- 1) Bellringer (3-5 min): pick one prompt to activate prior knowledge.
- 2) Gameplay (15-25 min): play in small groups (3-5 students).
- 3) Exit Ticket (3-5 min): students capture what they learned.
- 4) Reflection (5-10 min): use after a longer play session, weekly club, or unit wrap-up.

Tip: Print a class set of 2-3 favorite bellringers + 2-3 exit tickets and reuse them all semester.

Teacher Notes (optional)

Use this space to write your class goal, vocabulary focus, or the rule tweak you used (timer, roles, etc.).

In your own words, define an asset and a liability. Then write one example of each from real life (home, school, or community).

Date

Net worth is assets minus liabilities.

Name

Date

Bellringer 3: Growth Choice

Write one Growth (G) choice you can make this week that could help you build abundance over time. Why is it a Growth choice?

Name

Date _____

List three Occurrences (O) that could change a family's budget unexpectedly (good or bad). Circle the one you think happens most often.

Date _____

Write 3 needs and 3 wants. Then explain how mixing them up can affect net worth over time.

Name

Date _____

Give three reasons people save money. Then write one realistic saving goal you could start today.

Date

What does it mean to borrow money? Write one benefit and one risk of borrowing.

Name

Date

Imagine you receive \$20 unexpectedly. Write two smart options for using it (one short-term, one long-term).

Date

Write about a time you faced a setback (school or life). What helped you recover? How could that mindset help after a Debacle (D) in the game?

Date _____

Bellringer 10: Define Abundance

Finish this sentence in your own words: 'Abundance means...' Then write two values or habits that support abundance.

Name

Date _____

Exit Ticket 1: Best Decision

One decision I made today that increased net worth was...

It increased net worth because...

Name _____

Date _____

I can apply it in real life by...

Name

Date

Exit Ticket 3: Redo Moment

If I could redo one choice from today, I would...

Next time I would choose differently because...

Name _____

Date _____

Exit Ticket 4: G-O-D Check-In

Circle one: Growth (G) / Occurrence (O) / Debacle (D)

Which one did you land on the most today and what did it teach you?

Name _____

Date _____

Exit Ticket 6: Risk and Reward

Describe one risky choice from today. Was it worth it? Why or why not?

Name

Date _____

Exit Ticket 7: Team Strategy

How did your group work together today? Name one helpful role or strategy your team used.

Name

Date _____

Exit Ticket 8: Real-Life Connection

Which situation in the game felt most realistic to you? Explain why.

Name

Date _____

I will start by...

Name

Date

Exit Ticket 10: Question for Tomorrow

One question I still have about money, net worth, or the game is...

Name

Date _____

Write:

3 things you learned,

2 choices you would make differently next time,

1 habit you want to build to increase abundance.

Name

Date

Date _____

Write a 4-step plan for how to respond after a Debacle (D) in the game or in real life.

Step 2:

Step 3:

Step 4:

Name

Date _____

Pick one Occurrence (O) that could happen in real life.

How could a person prepare for it? What could they do before, during, and after?

Name

Date _____

How did budgeting (planning where money goes) show up in the game? Give one example and explain what you learned.

Date _____

Write about a Growth (G) opportunity you noticed during the game.

How can you train yourself to notice opportunities in real life?

Name

Date

Explain how your values can help you choose needs over wants when money is limited.

Give one example.

Name _____

Date _____

Tell the story of your net worth during the game: What helped it rise? What caused it to fall? What was the turning point?
